February / March 2018

Literacy Tour

In time for World Book Day (1st March 2018) and Shakespeare Week (18th – 24th March 2018) our literacy tour includes two shows to bring fabulous stories to life during February and March 2018.

Mirror, Mirror.... EYFS & KS1

Perfect for World Book Day (1st March 2018). Are there two sides to every story? The Wicked Queen decides to put tell the story from her point of view and set the record straight once and for all about just what happened between her and Snow White! Your pupils join some of their favourite fairy tale characters in a fun show full of interactive songs, audience participation, colourful characters and fabulous fun. This show complements the traditional tale's part of the curriculum and stimulates further discussion and creative writing.

A Midsummer Night's Dream - KS2/3

One of Shakespeare's funniest comedies with a 60's style twist! Bumbling workmen, tragic lovers and mischievous fairies brought to life in a fun packed rock and roll show. But pupils don't just watch, they become part of the action - creating sound effects, playing small parts, singing and acting with the professional actors. The simplified storyline and use of a storyteller help to ensure pupils can follow the play throughout.

"Thank you for a wonderful performance. Your team did a great job of engaging all the pupils. They gained such a lot from the delivery of the play, which broke down and explained each section, before providing the dramatic action, with the aid of some willing volunteers. The pupils who actively participated were very proud to have taken part and contributed to the performance."
